The Wisconsin Chapter of the American Parkinson's Disease Association is honored to continue the legacy of the Parkinson's Half Marathon, 5K & More that began in 2012.

The Greywolf Foundation is extremely proud to be presenting and assisting with the operation and promotion of the APDA Half Marathon, 5K & More, as well as associated fundraising events and activities. The proceeds of this race as well as supporting efforts from local businesses like BB Jack's Cottage Grove provide education and support to everyone in Wisconsin affected by Parkinson's disease, helping them live life to the fullest.
